BUILD IT**

OUR HISTORY

We are the factory.

Founded in 2007 in Los Angeles California,
Coda industries has expanded over the years with
modern facilities in Mexico and Indonesia.

The company has proven to be a one stop shop
resource for the hospitality and contract industries as well as private la-
bel for retail worldwide.

A scenic view of a rocky coastline. In the foreground, a stone wall with a small black lantern sits on a cliffside. The middle ground shows rugged, brownish rock formations extending into the sea. The background features a calm, light blue ocean under a soft sky. The text 'LOS CABOS COLLECTION' is overlaid in white, bold, sans-serif font at the bottom center.
